

INDIAN ARMOUR EXPORTS

A L L W E K N I T I S L O V E

ABOUT US

INDIAN ARMOUR EXPORTS (IAE), a 100% export-oriented garments manufacturing company, was established in the year of 2010 by Mr.N.Harshavardhan, which is located in Tirupur [Knitwear hub of India, Tamilnadu, India]

IAE is a Rapidly growing export company and When it comes to ready-made garments, IAE is a "cut above the rest". Being a fully-integrated vertical composite unit, from fabric to the finished garment, IAE prides itself in offering to its customers a one-stop solution to all garments demands. We are a technology driven company that strives to constantly improve its production processes, while closely preserving our commitment towards highest quality and guaranteed customer satisfaction.

IAE, instigated its journey with a vision of becoming the most recognized knitwear manufacturer and trading company of the country as well as to take the widely known reputation of INDIA as a global leader to a new high, :-) offering the best blend of quality and efficiency.

OUR VISION

To become the benchmark manufacturing company for the textiles and garments industry providing world-class products through the integrity, teamwork and creativity of our people driven by our constant commitment to outstanding overall customer satisfaction.

OUR MISSION

To deliver high-quality products and exceptional services to our customers by harmoniously blending safety, quality and efficiency while diligently maintaining our integrity, honesty and dedication towards environmental and social responsibilities.

- » IAE is helmed by designating members with a strong management team commanding extensive industry experience. We have built our company with highly qualified, well experienced and dedicated professional team members to fulfill our customer needs and for our sustainable growth. The core team comprises of dynamic individuals with passion, dedication and are instrumental in developing the status as well as profile of the company as a reputable garment exporter.
- » Our continued success depends on every employee, from back-end to the front office. Due to their relentless pursuit of excellence and commitment to high standards, our team has helped translate the Company's goals into substantial accomplishments over the years. Every member of the IAE believes strongly in the vision and core values of the company.
- » We will continue to employ passionate and motivated people who will work alongside our clients every step of the way - people who will anticipate market changes and overcome all the barriers - to enhance our customer value proposition. Our diverse team enables us to add value and provide end-to-end supply chain solutions and global reach for both our existing and potential clients.
- » IAE is a truly diverse company where talent is combined with experience to drive our business forward.

PRODUCT DEVELOPMENT

IAE not only provides the best sampling but we also provide a cost effective design solution to our valued customers. We make two collections a year to support our customer's product range. Different techniques and washes are frequently applied to introduce new ideas and also we try to understand other manufacturers innovative techniques throughout the world to implement and enrich our technical library.

We have a strong technically qualified Design & Development team to meet our customers expectations. Also our Sample room is equipped with the latest design software, sewing machines and equipment's.

" WE DESIGN THE DRESSING WORLD "
